

ONCE UPON A TIME IN HOLLYWOOD

[Music]

- I'm Rick Dalton. My pleasure Mr... Mr.Schwartz.
- Call me Marvin. Who is there? Is that your son?
- No, it's my stunt double Cliff Booth.

[Music]

- Last night we brought a Rick Dalton double featured. All the shooting. I love that stunt; you know the killing.
- A lot of killing.
- Anybody ordered fried sour crowd? Burn you nazi bastards! Ha-ha-ha-ha-ha.

[Music]

- Are you an actor?
- No, I am a stuntman.

[Music]

- So, you are still with Rick, ah?
- Still here.
- You can do anything you want to him.

[Music]

- I hired you to be an actor, Rick, not a TV cowboy, you're better than that.
- Line?
- Cut!
- You embarrass yourself like that in front of all goddamn people.
Aduduh-duh-duh-duh-duh. Fuck!

[Music]

- All right, what's the matter partner?
- It's official, old buddy... Um a has-bin.

[Music]

- Here I am, flat on my ass. Who? Who I got living next door to me?
- I am Sharon Tate. I'm in the movie.
- Are you in this?
- That's me. I play Ms. Carlson - the klutz.

[Music]

- Charlie is going to dig you!

[Music]

- In this town, it can all change like that...
- Hey, you Rick fucking Dalton. Don't you forget it.
