[Music]

- You've got a smoky, sexy voice!
- Okay, you need to take your perky dial and turn it down a few thousand notches. Any questions?
- No, I'll just wait around here. You smell nice!
- That's the smell of confidence.

[Music]

- Oh boy, Grayson is going to freak!
- Are you out of your mind? I am sorry, I didn't realize how attractive you are. Would you mind if I ask you that question without yelling?
- Okay.
- Are you out of your mind?

[Music]

- Holy sheet!
- What? No way! Oh my god!

[Music]

- Unfair!
- I know it's not fair! Ignore him, just ignore him.

[Music]

- Joe!
- Hey!
- Do you I?
- You got me.
- It looks like we did.

[Music]

- Look at you!
- Yes, have you not done an iChat before?
- Look, you look, you look amazing!
- Oh, thank you!

[Music]

- Are you still in a codependent relationship with your ex feeling like you don't deserve all the good things in your life?

[Laughing]

- Yes and yes.
- So I guess that I should move forward with my kitchen remodel.
- I would.
- Okay, that's great!

[Music]

- I mean they just, they grow up so fast.

[Music]

- Rachel is having a baby!
- No kidding!

[Music]

- Grayson, Monica!
- A great cast! It has been an awesome, awesome experience. Thanks to my agents, my managers, thanks to...

[Music]

- My anger is in a purple balloon, and I let it go.
- It's back.
- It's not real!
